Annual Sports Meet:

Usually happens in the month of February for three days. Students can appear for a maximum of three individual events, a male and female champion is selected based on the performance in these three events. Athletics, house matches in football and cricket are conducted. A Mr. Christian college competition for best physique is an added attraction.
Inter Collegiate Cricket Tournament:

Conducted after the annual sports meet, 4-6 teams participate for the rolling trophy. The matches are played on a knockout basis. 20 overs per side is the favored format. It gives useful match exposure to the college teams which participate.
Sports Talent Day:

Is organized annually to felicitate those students who do well in athletic, martial arts and games events at the University, Inter University and National level. It acts as an incentive for newcomers to excel themselves.
