A FOOT STEP TO SUPPORT

1. Title: **A Foot step to support**

Helping the people in the flood affected area on August 2018

2. Goal:

a. To help the people staying in the flood relief camps by issuing materials required

b. To support the students in the flood relief camps

c. To provide food packets in the flood relief camps

d. To issue learning materials to the students

e. To provide raw materials

3. Context:

On 16 August 2018, severe floods affected Kerala, due to unusual high rainfall during the monsoon season. Most of the people have been affected by losing their houses, learning materials of the students etc. This program aims to help the people in the flood relief camps and the students

4. Practice:

Students took initiation to collect the materials required to distribute in the flood relief camps. They visited the houses of the Thottampara adopted village and nearby shops to collect the needed materials for the flood relief camps. A packet of 100 Kg rice and 25 coconuts was given to the flood relief camp at Govt. V.H.S.S. Veeranakavu on 19.8.2018. NSS volunteers has given breakfast for all the 32 members in the flood relief camp of Puravimala. A ”Book Donation” program was conducted by the volunteers and collected 4000 note books pens and pencils from the campus and distributed to the students of Pandandu, flood affected area in Pathanamthitta district on 21.8.2018

5. Evidence of Success:

Students learned how to support the people in the society when they encounter a problem

2. Problems Encountered and Resources Required

Problems encountered: Nil

Resources Required
